FLEET & BUSINESS SOLUTIONS

(1) Always check entire surroundings visually before proceeding. (2) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (3) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at [g.co/androidauto/requirements](https://www.google.com/androidauto/requirements). Android Auto is a trademark of Google LLC. (4) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (5) Always check visually for vehicles prior to changing lanes. (6) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (7) This system is not intended to be used while vehicle is in motion. (8) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (9) HAS requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (10) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (11) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (12) Check state and local laws regarding the use of remote start systems. (13) All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates.** Fees and taxes apply. **See the SiriusXM Customer Agreement and Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349.** Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. SiriusXM with 360L is only available on select vehicles. Certain features and/or content may not be available unless an active data connection is enabled in the vehicle. Content varies by subscription plan. Features and display may vary by vehicle. (14) All SiriusXM Guardian equipped vehicles come with a three-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (15) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (16) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (17) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 NAV system and Rear-Seat Entertainment Package. For streaming, requires a Wi-Fi connection and linked Amazon account to run Fire TV in the vehicle. Streaming service subscriptions are not included.
