

For 2017 Dodge Charger Pursuit hits the streets with advanced powertrains and modern technology that include available features such as **all-wheel drive (AWD)** with **front axle disconnect** and the **12.1-inch Integrated Display Package**. Powered by two of the finest engines – the award-winning **292 hp 3.6L Pentastar V6 with available Flex Fuel capability**, or the **370 hp 5.7L HEMI V8 with Fuel Saver Technology**. No matter what you need, Charger Pursuit has you covered. Rest assured knowing the performance suspension with **load-leveling and height control paired with the heavy-duty performance brakes** will meet the ever-demanding conditions of daily use. Inside, driver and passenger front seats feature ample room to accommodate a full duty belt. A full-color **seven-inch reconfigurable instrument cluster display** plus the **Uconnect 5.0 AM/FM radio with Integrated Voice Command<sup>(17)</sup> with Bluetooth<sup>(7)</sup>** delivers another level of personalization and connectivity.

<sup>(1)</sup>Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. <sup>(2)</sup>Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. <sup>(3)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. <sup>(4)</sup>Always check visually for pedestrians and vehicles prior to proceeding or changing lanes. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. <sup>(5)</sup>The Uconnect® Phone requires a mobile phone equipped with the Bluetooth® Hands-Free Profile.
