

The demands of police, fire and rescue work require a vehicle with exceptional maneuverability, power and fuel economy, and Dodge Durango Special Service is ready for duty. It arrives on the scene with a choice of two capable engines – the award-winning 3.6-liter Pentastar V6, standard, and the available legendary 5.7-liter HEMI V8, both paired to the fuel-friendly 8-speed transmission. Count on abundant special features and notable improvements from the civilian version, including a battery upgraded to 800 amps,⁽³²⁾ heavy-duty front and rear brakes, a heavy-duty oil cooler and water pump, invaluable automatic Tri-Zone temperature control to keep K9 units comfortable – plus a full list of standard and available Safety and Security features. This SUV earns its stripes with impressive numbers all around: up to 27 mpg hwy,⁽⁸⁾ 84 cu. ft. of cargo volume, towing up to 7,400 lb⁽¹⁴⁾ with the HEMI engine (and up to 6,200 lb⁽¹⁴⁾ with the Pentastar engine). They all add up to complete capability for the toughest assignments – the foundation of Durango Special Service.

PRODUCT HIGHLIGHTS

Engine choices:

- 3.6L Pentastar® V6 with Variable Valve Timing (VVT)
 - Standard
- 5.7L HEMI® V8 with Fuel Saver Technology and VVT – Available

8-speed Automatic transmission – Standard

Rear-wheel drive (RWD) – Standard

All-wheel-drive (AWD) choices:

- With the 3.6L V6 engine: single-speed full-time AWD – Available
- With the 5.7L V8 engine: 2-speed full-time active AWD – Available

Impressive towing, up to 7,400 lb (HEMI engine) or 6,200 lb (Pentastar engine)

Class IV trailer towing – Available

Battery upgraded to 800 cold cranking amps⁽³²⁾

Heavy-duty 220-amp alternator – Standard

Heavy-duty engine cooling package – Standard

Heavy-duty braking package – Standard

Spot lamp wiring prep – Standard

Headliner with red/white dome lamp – Standard

Leather-wrapped steering wheel with audio controls – Standard

8-way power adjusting driver seat, manual adjusting passenger seat – Standard

Tilt/telescoping steering wheel – Standard

Integrated Voice Command⁽⁷⁾ – Standard

Uconnect® 5.0 AM/FM/USB Media Hub – Standard

6 speakers – Standard

Automatic Tri-Zone Temperature Control – Standard

SAFETY & SECURITY

Air bags⁽²⁾ – Advanced multistage driver and front-passenger, advanced side-curtain and supplemental front-seat side⁽²⁾ – Standard

ParkView® Rear Back-Up Camera⁽⁵⁾ – Available

Active head restraints⁽¹⁾ – Standard

4-wheel disc Antilock Brake System (ABS) with Electronic Brake-Force Distribution – Standard

Ready-Alert Braking – Standard

Rain Brake Support – Standard

Trailer Sway Control⁽³⁾ – Standard

FEATURES

Engine block heater – Available

Skid Plate Group – Available on AWD models

- Includes skid plates for the fuel tank, transfer case, front suspension and underbody

STANDARD ON ALL 2017 DURANGO SPECIAL SERVICE

- 12-volt Auxiliary Power Outlet
- Air Conditioning with Air Filtration
- Alternator – 220-amp, heavy-duty
- Automatic Headlamps
- Battery – 650-amp (standard), 800-amp⁽³²⁾ (available with 5.7L HEMI)
- Brakes – Upgraded heavy-duty front brake caliper assemblies

⁽¹⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁽²⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽⁴⁾Always check visually for pedestrians and vehicles prior to proceeding or changing lanes. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. ⁽⁵⁾The Uconnect® Phone requires a mobile phone equipped with the Bluetooth® Hands-Free Profile. To check phone compatibility please visit UconnectPhone.com. ⁽⁶⁾2016 EPA estimates. Actual mileage may vary. ⁽⁷⁾When properly equipped. ⁽⁸⁾800-amp battery is available on V8 engines only.
