

The Jeep[®] Compass provides **efficiency, performance and capability** to fleets and their drivers. With **impressive fuel efficiency (up to 30 hwy mpg⁽⁸⁾ on select models)** and strength that includes **available 4x4 Trail Rated capability**, Jeep Compass is the total package for a compact SUV: abundant safety and security features, standard hands-free Uconnect⁽⁷⁾ and an available **leather-wrapped steering wheel with mounted audio and cruise controls**. With power generated by two truly exceptional engines, the available **six-speed PowerTech Automatic transmission with AutoStick delivers great fuel efficiency with a unique driver/transmission interface**. Factor in the available Freedom Drive II off-road capability, and it all adds up to the ideal combination of **performance, road manners and fuel efficiency** – exactly why the Jeep Compass ranks as one of the leaders in the Fleet Portfolio.

PRODUCT HIGHLIGHTS

Engine choices:

- 2.0L I4 DOHC 16V dual Variable Valve Timing (VVT): 158 hp and 141 lb-ft of torque – Standard on 2WD models
- 2.4L I4 DOHC 16V dual VVT: 172 hp and 165 lb-ft of torque – Standard on 4x4 models

6-speed PowerTech Automatic transmission with AutoStick – Available

AutoStick feature on Automatic transaxle-equipped models – Standard

Trail Rated[®] capability with the Freedom Drive II[®] Off-Road Group and 19:1 crawl ratio – Available

4-wheel independent touring-tuned suspension – Standard

Infotainment includes 28GB hard drive for downloading playlists and pictures – Available

Leather-wrapped steering wheel with mounted audio and cruise controls – Available

Radio 430N with 6.5-inch touchscreen display and **GPS Navigation** with audible turn-by-turn directions – Available

SiriusXM[®] Satellite Radio⁽⁶⁾ – Standard on all models

SiriusXM[®] Travel Link⁽⁶⁾ – Available

Boston Acoustics[®] 9-speaker Premium Sound System with subwoofer and 2 flip-down liftgate speakers – Available

Heated front seats – Available

Driver height adjuster seat – Available

Rear 60/40 split-folding seats – Standard

17-inch and 18-inch aluminum wheels – Available

Automatic headlamps – Standard on Latitude; available on Sport

Automatic temperature control – Available

Hill Start Assist – Available

Power express-open/close sunroof – Available

Remote Start System – Standard on Latitude

SAFETY & SECURITY

Advanced multistage front, with supplemental side-curtain and front-seat-mounted side air bags⁽²⁾ – Standard

ParkView[®] Rear Back-Up Camera⁽⁵⁾ – Available

Electronic Stability Control (ESC)⁽⁹⁾ with Electronic Roll Mitigation – Standard

Front active head restraints⁽¹⁾ – Standard

Antilock 4-wheel disc brakes – Standard on 4x4 models

Uconnect[®] Voice Command Hands-Free Communication System⁽¹⁷⁾ – Standard on all models

Remote Keyless/Illuminated Entry – Available

Sentry Key[®] antitheft engine immobilizer – Standard

Tire Pressure Monitoring Lamp – Standard

FEATURES

Manual driver lumbar adjuster – Available

Daytime running lamp system – Available

Soft tonneau cover – Available

STANDARD ON ALL COMPASS MODELS

- Active Front Head Restraints⁽¹⁾
- Air Bags⁽²⁾ – Advanced multistage driver and front-passenger, supplemental side-curtain air bags and supplemental front-seat-mounted side air bags
- Air Conditioning

⁽¹⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁽²⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽⁴⁾Always check visually for pedestrians and vehicles prior to proceeding or changing lanes.

An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. ⁽⁶⁾SiriusXM services require subscriptions, sold separately after the 12-month trial included with the new vehicle purchase. **If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** All fees and programming subject to change. Trial service is not transferrable or refundable. The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SIRIUSXM; Weather Forecast, Current Conditions may not be available in all locations; and features of individual systems will vary. SIRIUSXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous USA and D.C. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. ⁽⁷⁾The Uconnect[®] Phone requires a mobile phone equipped with the Bluetooth[®] Hands-Free Profile. To check phone compatibility please visit UconnectPhone.com. ⁽⁸⁾2016 EPA estimates. Actual mileage may vary. ⁽¹⁷⁾Requires a mobile phone equipped with the Bluetooth[®] Hands-Free Profile.
