

More than ever, the Jeep attitude of Go Anywhere, Do Anything[®] joins a city-bred momentum: **Feel at home everywhere.** The fleet favorite Jeep Grand Cherokee makes it the right choice for your fleet for 2017: standard **fuel-sipping 3.6L Pentastar V6 with 8-speed Automatic transmission.** A driving range of **730 miles on a single tank.⁽²²⁾ 68.3 cubic feet of cargo space.** Available features like the **Uconnect 8.4 NAV radio.** The **available Quadra-Lift suspension with five versatile height settings,** for impressive road manners on virtually every terrain. The **available ParkView Rear Back-Up Camera⁽⁵⁾** Finally, opt for Jeep trail-blazing innovation, torque and fuel economy, with the available **3.0L EcoDiesel delivering clean-diesel technology with low CO₂ emissions, and reaching an impressive EPA estimated 30 hwy mpg.⁽⁸⁾**

PRODUCT HIGHLIGHTS

Jeep[®] Grand Cherokee features:

- 8-speed Automatic transmission – Standard
- 3.0L EcoDiesel engine – Available
- Start/Stop technology – Standard
- 7-inch configurable multiview display – Standard

The 3.6-liter Pentastar[®] V6/8-speed Automatic transmission powertrain includes:

- A transmission oil heater
- Electric power steering

Choice of three engines:

- 3.0L V6 EcoDiesel – Available
- 3.6L Pentastar V6 with Variable Valve Timing (VVT) – Standard
- 5.7L HEMI[®] V8 with Fuel Saver Technology and VVT – Available

Up to 7,400-lb towing capability⁽¹⁴⁾

68.3 cubic feet of cargo space with rear seats folded down; 36.3 cubic feet of cargo space with all seats up

Dual-Zone Temperature Control – Standard

Uconnect[®] 8.4 NAV radio – Available

Automatic Oil Change Monitoring System – Standard

Quadra-Lift[®] Suspension System provides height control to a maximum ride height of 10.4 inches above normal – Available

Selec-Terrain[®] Traction Management System allows the driver to choose the drive system that best matches road conditions – Available

Heated front- and 2nd-row seats – Available

Power liftgate – Available

SAFETY & SECURITY

Inflatable driver knee air bag⁽²⁾ – Standard

Advanced multistage driver and front-passenger air bags⁽²⁾ – Standard

Advanced side-curtain air bags⁽²⁾ – Standard

Electronic Stability Control (ESC)⁽³⁾ – Standard

ParkView[®] Rear Back-Up Camera⁽⁵⁾ – Available

Blind Spot Monitoring (BSM)⁽⁵⁾ – Available

4-wheel antilock disc brakes with Electronic Brake-Force Distribution – Standard

Enhanced Accident Response System (EARS) – Standard

Remote Keyless Enter 'n Go[™] – Standard

High Intensity Discharge (HID) headlamps with auto-leveling – Available

FEATURES

Remote Start System – Available

Uconnect Phone Hands-Free Communication System⁽⁷⁾ – Standard

Daytime running lamps (DRLs) – Standard

STANDARD ON ALL 2017 GRAND CHEROKEE MODELS

- **Air Bags⁽²⁾** – Multistage driver and front-passenger, advanced side-curtain and inflatable knee bolster
- **Air Conditioning** – Dual-Zone Automatic Temperature Control
- **Battery** – 650-amp maintenance-free with battery-saver feature
- **Child Seat Anchor System (LATCH)** – Lower child seat anchors and upper tether anchors help ease the installation of compatible aftermarket child seats
- **Console** – Overhead with 2 lamps, sunglasses storage and Universal Garage Door Opener controls
- **Electronic Stability Control (ESC)⁽³⁾** – With Electronic Roll Mitigation (ERM), All-Speed Traction Control, Brake Assist and 4-wheel ABS
- **Enhanced Accident Response System (EARS)**
- **Glass** – Deep-tinted sunscreen on rear doors, quarter panel and liftgate
- **Remote Keyless/Illuminated Entry**
- **Sentry Key[®]** – Antitheft engine immobilizer
- **Steering Wheel** – Tilt wheel/telescoping column, with wheel-mounted audio controls and paddle shifters, manual or power, depending on model
- **Windows** – Power with front 1-touch open/close feature and pinch protection

⁽¹⁾All dimensions are in inches unless otherwise noted. ⁽²⁾2016 EPA estimated. Actual mileage may vary.

⁽¹⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁽²⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽⁴⁾Always check visually for pedestrians and vehicles prior to proceeding or changing lanes. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. ⁽⁵⁾The Uconnect[®] Phone requires a mobile phone equipped with the Bluetooth[®] Hands-Free Profile. To check phone compatibility please visit UconnectPhone.com. ⁽⁶⁾2016 EPA estimates. Actual mileage may vary. ⁽⁷⁾When properly equipped. ⁽⁸⁾Based on manufacturer's estimates 30 hwy mpg and a 24.6 Gallon fuel tank. Actual mileage may vary.
