

Jeep® Patriot is a standout vehicle offering **multiple choices in the areas of powertrain, capability and mechanical systems**. Jeep Patriot comes in **your choice of 4WD or 2WD/ front-wheel engineering**. Patriot Sport and Latitude models supply the **2.0L 4-cylinder engine with 158 hp and 141 lb-ft of torque** as standard and **2.4L 4-cylinder engine with 172 hp and 165 lb-ft of torque** with your choice of four outstanding transmissions. What makes Jeep Patriot such a fleet favorite are exceptional standard features – like **firm-feel power steering and touring suspension systems, integrated steering-wheel controls, Uconnect Voice Command<sup>(17)</sup> Hands-Free Communication System** – and **more than 30 available safety and security features**. Spacious inside yet compact to park, efficient with both fuel and interior space, Jeep Patriot points your fleet to new directions – with one constant no matter where you go: **exceptional value**.

## PRODUCT HIGHLIGHTS<sup>(26)</sup>

### Engine Choices:

- 2.0L I4 DOHC 16V dual Variable Valve Timing (VVT) engine provides 158 hp and 141 lb-ft of torque – Standard on front-wheel-drive (FWD) models
- 2.4L I4 DOHC 16V dual VVT provides 172 hp and 165 lb-ft of torque – Standard on 4x4 models

**6-speed PowerTech Automatic transmission** with AutoStick – Available

**AutoStick** feature on automatic transaxle-equipped models – Standard

**Hill Start Assist** – Standard with 5-speed Manual transmission

**4-wheel independent touring-tuned suspension** – Standard

**Trail Rated® 4x4 capability** with Freedom Drive II® Off-Road Group and 19:1 crawl ratio – Available

**SiriusXM® Satellite Radio<sup>(6)</sup>** with 1-year trial subscription – Standard

**SiriusXM Travel Link<sup>(6)</sup>** – Available with 5-year trial subscription

**Radio 430N** with 6.5-inch touchscreen display and GPS Navigation with audible turn-by-turn directions – Available

**Boston Acoustics® 9-speaker Premium Sound System** with subwoofer and 2 flip-down liftgate speakers – Available

**Automatic Temperature Control** – Available

**Heated front seats** – Available

**Driver's-seat height adjuster** – Standard on Latitude models

**Rear 60/40 split-folding seats** – Standard

**Leather-wrapped steering wheel** with mounted audio and cruise controls – Standard on Latitude

**Power express-open/close sunroof** – Available

**Automatic headlamps** – Standard on Latitude; available on Sport

**Remote Start System** – Standard on Latitude

**17-inch aluminum wheels** – Available

## SAFETY & SECURITY<sup>(26)</sup>

**Uconnect® Voice Command<sup>(17)</sup> Hands-Free Communication System** – Standard

**Advanced multistage front, with supplemental side-curtain and front-seat-mounted side air bags<sup>(2)</sup>** – Standard

**Electronic Stability Control (ESC)<sup>(3)</sup>** with Electronic Roll Mitigation (ERM) – Standard

**ABS** with Brake Assist – Standard

**Tire Pressure Monitoring Lamp** – Standard

**Sentry Key® antitheft engine immobilizer** – Standard

**Front-seat active head restraints<sup>(1)</sup>** – Standard

**Remote Keyless/Illuminated Entry** – Available

**ParkView® Rear Back-Up Camera<sup>(5)</sup>** – Available

## FEATURES<sup>(26)</sup>

**Daytime running lamp system** – Available

**Driver's-seat manual lumbar adjuster** – Available

**Soft tonneau cargo area cover** – Available

## STANDARD ON ALL PATRIOT MODELS<sup>(26)</sup>

- **Active Front Head Restraints<sup>(1)</sup>**
- **Air Bags<sup>(2)</sup>** – Advanced multistage driver and front-passenger, and supplemental side-curtain and supplemental front-seat-mounted side

- **Tire Pressure Monitoring Warning Lamp**
- **Tires** – Compact spare
- **Uconnect<sup>®</sup> Voice Command with Bluetooth<sup>®</sup> and Hands-Free Phone<sup>(17)</sup>**
- **Wheels** – 16-inch styled steel
- **Windows** – Solar-Control tinted; rear window defroster
- **Wiper System** – Front variable/intermittent mode; rear wiper/washer with intermittent mode

<sup>(1)</sup>Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. <sup>(2)</sup>Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. <sup>(3)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. <sup>(4)</sup>Always check visually for pedestrians and vehicles prior to proceeding or changing lanes. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. <sup>(5)</sup>SiriusXM services require subscriptions, sold separately after the 12-month trial included with the new vehicle purchase. **If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** All fees and programming subject to change. Trial service is not transferrable or refundable. The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SIRIUSXM; Weather Forecast, Current Conditions may not be available in all locations; and features of individual systems will vary. SIRIUSXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous USA and D.C. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. <sup>(17)</sup>Requires a mobile phone equipped with the Bluetooth<sup>®</sup> Hands-Free Profile. Visit UconnectPhone.com for systems and device compatibility. <sup>(26)</sup>Based on 2016 model-year specifications.
