

FIAT CHRYSLER AUTOMOBILES

1500 SPECIAL SERVICE

Exceptional work demands exceptional vehicles – and the **Ram 1500 Special Service vehicle meets the need, thanks to formidable towing and hauling capability**, and the inclusion of the available **RamBox Cargo Management System**. Now factor in the **legendary 5.7L HEMI V8, a 220-amp alternator, special certified instrument-panel cluster** – and much more. The available, innovative and groundbreaking **RamBox system includes two factory-installed side cargo bins, bed extender/divider and adjustable cargo rails**. Standard Electronic Stability Control (ESC)⁽³⁾ System offers impeccable handling, maneuvering, braking and road manners, with top-tier capability when trailering and hauling. Whether protecting our cities, small towns or national borders, **this Ram 1500 is ready for service.**

Payload (lb) (max)	1,540
Fuel Tank Capacity (gal) (std/opt)	26/32
Fuel Economy (city/highway) ⁽²⁾	13/19

*All dimensions and specifications are based on 2016 model-year information.

⁽¹⁾All dimensions are in inches unless otherwise noted.

⁽²⁾Manufacturer's estimate. Depending on powertrain combination; will vary depending on driving habits.

⁽³⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁽⁴⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. ⁽⁵⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽⁶⁾Always check visually for pedestrians and vehicles prior to proceeding or changing lanes. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. ⁽⁷⁾SiriusXM services require subscriptions, sold separately after the 12-month trial included with the new vehicle purchase. **If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** All fees and programming subject to change. Trial service is not transferrable or refundable. The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SIRIUSXM; Weather Forecast, Current Conditions may not be available in all locations; and features of individual systems will vary. SIRIUSXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous USA and D.C. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI.
