WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY

Some Modifications Don't Void the Warranty But Aren't Covered

Certain changes that you might make to your vehicle do not, by themselves, void this warranty. Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b) using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

applying rustproofing or other protection products; (c) changing the vehicle's configuration or dimensions, such as converting the vehicle into a limousine or food service vehicle; or (d) using any refrigerant that FCA has not approved.

Environmental Factors Not Covered

Your warranty does not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

Maintenance Costs Not Covered

Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

Racing Not Covered

Your warranty does not cover the costs of repairing damage or conditions caused by racing, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

Certain Kinds of Corrosion Not Covered

Your warranty does not cover the following: (a) corrosion caused by accident, damage, abuse, or vehicle alteration; (b) surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones; (c) corrosion caused by the extensive or abnormal transport of caustic materials like chemicals, acids, and fertilizers; and (d) corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA.

Other Exclusions

Your warranty does not cover the costs of repairing damage or conditions caused by any of the following: (a) fire or accident; (b) abuse or negligence; (c) misuse - for example, driving over curbs or overloading; (d) tampering with the emission systems, or with a part that could affect the emission systems; (e) use of used parts, even if they were originally supplied by FCA (however, authorized FCA / MOPAR remanufactured parts are covered); (f) windshield or rear window damage from external objects; (g) any changes made to your vehicle that don't comply with Chrysler; or (h) using any fluid that doesn't meet the minimum recommendations in your Owner's Manual.

Total Loss, Salvage, Junk, or Scrap Vehicles Not Covered

A vehicle has no warranty coverage of any kind if: (a) the vehicle is declared to be a total loss by an insurance company; (b) the vehicle is rebuilt after being declared to be a total loss by an insurance company; or (c) the vehicle is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt," "scrap," or some similar word.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

Restricted Warranty

Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

Registration and Operation Requirements

This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

There is no Limited Warranty coverage on your Vehicle if it is sold, registered or operated, other than temporarily, by you, outside of the United States (including the 50 states, the District of Columbia, Puerto Rico, or Guam).

Other Terms of These Limited Warranties

Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

General Information

It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.
