

2019 DODGE DURANGO SPECIAL SERVICE SPECIFICATIONS

DODGE DURANGO SPECIAL SERVICE SPECIFICATIONS

Specifications are based on the latest product information available at the time of publication.

All dimensions are in inches (millimeters) unless otherwise noted.

All dimensions measured at curb weight with standard tires and wheels.

The demands of police, fire and rescue work require a vehicle with exceptional maneuverability, power and fuel economy, and Dodge Durango Special Service is ready for duty. It arrives on the scene with a choice of two capable engines — the award-winning 3.6-liter Pentastar® V6, standard, and the available legendary 5.7-liter HEMI® V8, both paired to the fuel-friendly 8-speed transmission. Count on abundant special features and notable improvements from the civilian version, including a battery upgraded to 800 amps, heavy-duty front and rear brakes, a heavy-duty oil cooler and water pump, invaluable automatic Tri-Zone Temperature Control to keep K9 units comfortable — plus a full list of standard and available safety and security features. This SUV earns its stripes with impressive numbers all around: up to 26 mpg hwy,⁽¹⁾ 84 cu-ft of cargo volume, towing up to 7,400 lb with the HEMI engine (and up to 6,200 lb with the Pentastar engine). They all add up to complete capability for the toughest assignments — the foundation of Durango Special Service.

PRODUCT HIGHLIGHTS

DISCLOSURES

1. 2018 EPA estimates. Actual mileage may vary. 2. Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. 3. Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. 4. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 5. Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. ©2018 FCA US LLC. All Rights Reserved. Dodge and HEMI are registered trademarks of FCA US LLC.
