

The 2017 Jeep Renegade stands out for **outstanding small SUV capability**. Powered by the 1.4L MultiAir Turbo (paired to the 6-speed Manual) or 2.4L Tigershark (mated to the innovative 9-speed Automatic), this nimble SUV delivers **benchmark levels of Trail Rated® capability and versatility and fuel efficiency** available in front-wheel or four-wheel-drive configurations. Top-tier advantages include highway mileage up to 31 mpg⁽⁶⁾ and **legendary 4x4 capability** courtesy of **two available full-time 4x4 systems**: Jeep Active Drive, and Jeep Active Drive Low, with its impressive 20:1 crawl ratio; both systems feature a **disconnecting rear axle** that aids in fuel efficiencies. Now add **towing capacity up to 2,000 lb** when properly equipped, a **passenger-friendly interior with ample cargo space** and 70 standard and available safety and security features — including LaneSense Lane Departure Warning with Lane Keep Assist⁽²⁸⁾ — and the available **My Sky Open-Air Roof System!**⁽¹⁸⁾ Put it all together, **this SUV is a natural for your fleet.**

PRODUCT HIGHLIGHTS

1.4-liter MultiAir® Turbo I-4 engine with 6-speed Manual transmission — Standard on Sport and Latitude

2.4-liter Tigershark® I-4 engine with 9-speed Automatic transmission — Standard on Trailhawk® and Limited

Flex Fuel on FWD models with the 2.4L Tigershark engine — Available

Fully independent suspension with Koni® Frequency-Sensitive Damping (FSD) shocks — Standard

⁽¹⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁽²⁾Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or with the seat belt positioned correctly for the child's age and weight. All occupants should always wear their lap and shoulder belts properly. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ⁽⁴⁾Always check visually for pedestrians and vehicles prior to proceeding or changing lanes. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. ⁽⁵⁾SiriusXM services require subscriptions, sold separately after the 12-month trial included with the new vehicle purchase. **If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com.** All fees and programming subject to change. Trial service is not transferrable or refundable. The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SIRIUSXM; Weather Forecast, Current Conditions may not be available in all locations; and features of individual systems will vary. SIRIUSXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous USA and D.C. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. ⁽⁷⁾The Uconnect® phone requires a mobile phone equipped with the Bluetooth® Hands-Free Profile. To check phone compatibility please visit UconnectPhone.com. ⁽⁶⁾2016 EPA estimates. Actual mileage may vary. ⁽¹²⁾This system is not intended to avoid collisions on its own, nor can FCW detect every type of potential crash. The driver must remain aware of traffic conditions and prepared to brake and steer to avoid potential collisions at all times. ⁽¹⁶⁾Be sure to follow all instructions in Owner's Manual for removal of top, doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. ⁽²⁰⁾This system is a driver's convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. ⁽³⁰⁾Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth® Message Access Profile (MAP). iPhone mobile devices and some other smartphones do not currently support Bluetooth MAP. Visit UconnectPhone.com for system device compatibility. ⁽³¹⁾The 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the cancel button on the Uconnect touchscreen.
